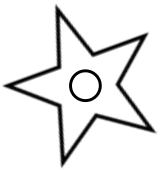
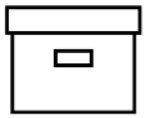
Your information and Outcomes Star Online

Privacy Notice for people being supported



The Outcomes Star helps people support you.

Outcomes Star Online records your name, or an ID number.

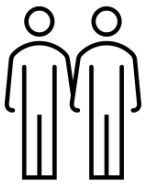


It might also record:

- Your date of birth
- Your ethnicity
- Your gender identity
- Your support needs
- Your Stars
- Your action plan
- Information about your support.

Your information is kept secure and safe.

Please turn to second page



Only the organisation supporting you can see your information.

Data that doesn't identify you can be used for research.

Talk to your support worker about consent or any questions.

You can contact Outcomes Star Online directly.
